Virtual Race Bags, We are Going Green!

We have decided to 'go green' this year and switch from paper to virtual race bags. This will allow us to better serve our runners with enhanced deals AND help the environment! All runners will receive an email one week prior to the race with a personalized virtual race bag. Runners will be able to redeem coupons and special race weekend offers by printing or activating on their smartphones.

PARKING

Parking is available in the garage at the Tropicana for our runners. The Tropicana offers both self parking and valet. Valet is offered at the Brighton Avenue entrance. There are also two parking garages with over 5,000 parking spaces. Garage A is self-parking only and The Quarter Garage offers both valet and self-park. When exiting parking fees do apply. Day rates for the event are \$10.00 per vehicle. We encourage all race participants to carpool and choose a designated driver.

RACE COURSE

The course will be contained on the first boardwalk in the world, the Atlantic City Boardwalk! The race will start and end at Chickie's & Pete's at the Tropicana.
